In re Reissue Application of: :  
LePage et al :  
Application No. 09/205,318 : DECISION GRANTING PETITION  
Filed: December 3, 1998 :  
For: ROLL-UP DOOR FOR VEHICLE SHELTERS :  
:

This is a decision on the petition under 37 CFR 1.10 filed February 8, 1999, requesting that the above-identified reissue application be accorded a filing date of December 3, 1998, rather than the presently accorded filing date of December 4, 1998.

The petition is granted.

In support of the petition, applicant includes a copy of the transmittal letter bearing express mailing label no. EI847855273US, and a true copy of Express Mail label No. EI847855273US, which bears a "date-in" of December 3, 1998, which matches the express mail label number and date of execution of the transmittal letter of the papers already in this reissue application.

The delay in treating the petition is regretted.

The application is being returned to the Office of Initial Patent Examination, Customer Corrections, for further processing as a reissue application with a filing date of December 3, 1998, and the issuance of a corrected filing receipt showing a filing date of December 3, 1998, and the corrected spelling of Mr. LePage's name and of the province of both inventors. Questions relative to that procedure should be directed to that office at (703) 308-1202.

Any questions pertaining to this decision may be addressed to the undersigned at (703) 305-1820.
